East Coast vs West Coast.two Hard Nose Coaches.two Teams that Like to educate yourself regarding Run.two Teams that rarely ever a multi function coronary heart account their matchup throughout the Week 14 is the mean anything. Yet,virginia tech football jersey,in this article they are on what is a he has to win as well as the teams. The Jaguars,for more information regarding draw attention away from one game lead heading into their game against the Colts in the next week or so The Raiders,to explore keep pace so that you have the Chiefs on the their attempt to learn more about make going to be the week or so 17 game also the AFC West Division. Let's preview proper way the Raiders come out all over the top?-

Defeat the East Coast Bias

The Raiders have under no circumstances traveled if you are especially heading to learn more about going to be the East Coast. Heck,nfl tebow jersey, they have by no means won a game outside the AFC/NFC West and hardly happen to be competitive in your any sexual games. Tom Cable knows this as this week or so the individual has changed their schedule for more information about be able to get them ready to play everywhere over the East Coast a short time The tell-tale tend to be quick and easy,if at halftime they are leading or at best down by one of the more an TD,south carolina football jersey,going to be the Raiders will have going to be the impetus needed to learn more about win this game.

Win the Line Battles

The Raiders dominated going to be the line a few days ago running from start to finish going to be the Chargers and absolutely stifling the Chargers running game. The Raiders,custom jerseys,while some of the a resource box will be great as well as them to learn more about dominate the line again,nike 2012 nfl jerseys,do nothing more than are going to want for more information about win that battle. The Jaguars will get involved with to owned or operated also, and they not only can they make element a multi functional point for additional details on stop the Raiders running game. The Raiders should to learn more about run 30 times for more information on make the game their design and style.

Contain Garrard

Sounds silly huh Why remember not to contain MJD as a multi function focal point The Jaguars wins have is available when David Garrard has also been powerful and effective and significantly more specifically for those times when he or she gets on the town about going to be the jacket pocket he or she gains yards in large bunches and enormous amounts TD's. The Raiders front 4 needs to understand more about besides other the pressure Garrard if you don't have leaving lanes also Garrard to learn more about scramble and then for yards.

Hit 2 Big Plays

Jacoby Ford,make a football jersey, DHB,nike making nfl jerseys, Louis Murphy, Zach Miller, Marcel Reese,shop nfl jerseys, DMC?-this is the fact a lot of those talent that the Raiders can bring for more information on the table that Jaguars can matchup to have their criminal Specifically,going to be the man they traded away last year, Kirk Morrison,has to be that prone as well as giving all the way extra - large plays and as a multi function whole the Jaguars are the 2nd a whole lot worse team in giving all the way 40 yard+ plays. The Raiders need for more information on expose some of these matchups early and most of the time and hit 2 big plays.

If this was a AFC West game, I wouldn't for instance hesitate to say the Raiders are going to explore win. East Coast travel + non AFC/NFC West team + team that is because winning in ways that people are having said all that scratching their head = do not ever a multi functional great feeling as well as for an all in one Raider fan. The Raiders will often be a good deal more competitive in this road game than their other East Coast travels,customize nfl jersey, and I make an appointment with Garrard involved in your some play towards the put an end to concerning this game that not only can they decide the outcome. Is it on the Raiders favor or at best on no account?
